Presents

THIRD-PARTY RECRUITERS: USING THEM AS PART OF YOUR RECRUITING STRATEGY

We will bring together experienced professionals from both corporate and third-party recruiting perspectives to explore the positive and negative aspects of the working relationship between the two. In this panel discussion, panel members will address questions, concerns and issues submitted by DARA members.

Don't miss the chance to hear this open and frank discussion, have your voice heard, and gain insight into what works and what doesn't.

Our Moderator:
