RECRUITER ACTIVITIES IN SLOW TIMES

Have you found yourself with a lighter recruiting workload at times during the economic downturn? If so, you are certainly not alone.

Please join on October 15th for a timely discussion of what recruiters can do during a slow economy. We are bringing together a diverse panel from companies such as NCR, Premier Health Partners, Teradata and MacB. Our panelists will share projects/roles taken on by company recruiters during times of slow recruiting activity.
