Screening Tools: IN SEARCH OF PREDICTIVE ABILITY

Our presenter will review the prevalent candidate screening tools in current use, including online assessments, and share the predictive ability of each method.

Our tour of tools to increase the success of your hiring efforts will also include applicant tracking software, resume databases, and the use of recruiter functionality on job boards.

Our Presenter:

Andrea Zvakos, PhD, GPHR, SPHR
Director, Human Resources Consulting
Brower Insurance Agency, LLC

Andrea's expertise stems from more than 18 years of human resources experience in a wide range of manufacturing, distribution, sales and service industries. Her lifelong fascination with learning has led her to earn her BA in Psychology from Chaminade University in Honolulu, her MBA from Dowling College on Long Island, New York, and her Ph.D. in Leadership and Change from Antioch University. She has been in a consulting role with Brower Insurance since 2002..
