Social Networking: IT'S CHANGING THE RECRUITING LANDSCAPE!

Join us to learn why social networking sites are moving recruiting in an entirely different direction. One recent survey indicates that social networking has already surpassed job boards ranking second only to employee referrals as the best source of finding new employees.

This session may be exactly what you need to get your initiative started, or if your company is already savvy, you'll have an opportunity to share some of your insights and best practices. Bring a friend and join us for an informative, interactive session.

Our Presenter:

Anita Moore
Vice President of Human Resources
The L.M. Berry Company/AT&T

In addition to her years of experience in Human Resources, Anita has been an active member of DARA since 2001 and also serves on the Program Committee.
