Presents

CAREER DEVELOPMENT FOR RECRUITERS

If you are involved in recruiting, you are part of the fabric of the careers of many potential employees. While touching the careers of so many others in our busy workplace, it is all too easy to neglect the management of our own careers.

We welcome you to come and hear a thoughtful discussion of career management techniques and reasonable career expectations for HR professionals who deal with recruiting and/or retention.

Our Presenter:

Robin Brun
Vice President, Consulting Services
Right Management

Robin has been involved with career development in multiple industries and in a variety of roles both as an internal trainer/consultant and an external consultant. She also has recruiting experience and has her PHR. Robin is committed to helping people and organizations achieve their full potential.
